Terms of Use for GRPC new OC 6 "Nalowale"

- GRPC's Competitive Outrigger team has priority use of Nalowale during their regularly scheduled practice times (Tuesdays 5:30 to 7pm, Sundays 8:30 to 10am)
- Recreational teams may use Nalowale once they have completed GRPC's Boat Care and Handling Seminar.
- Team captains are to contact GRPC via email sarah@gorowandpaddle.org to make an appointment for this hour long seminar.
- GRPC will communicate Nalowale's availability to each team upon confirmation of their boat care and handling seminar.
- Dock storage of Nalowale: The end dock has been chosen on a trial basis as GRPC is looking for a permanent spot to store the new boat. GRPC's aim is to maintain a suitable spot for Nalowale and ensure there is no reason to move her at any point during the year. Given the shape of Nalowale's hull GRPC has already adjusted our dock and will continue to do so to ensure safe storage.
