

MILLENNIUM DRAGON BOATS

Go Rowing & Paddling Association of Canada (GO) is pleased to present the Millennium Dragon Boat. GO is a non-profit organization dedicated to sharing the benefit of rowing and paddling sports with people of all ages and athletic abilities. GO is the only non-profit organization to manufacture, sell and rent Dragon Boats in North America. All revenue generated from sales support GO in developing paddling programs and events.

The Millennium is engineered and constructed in Canada by Oceanus Reinforced Plastics, a world-renowned boat building company.
