## Re: A Bigger and Better Brotchie! Event Wrap Up and Results!

### Hello Paddlers!

Although the weather didn't deliver the sunny eighteen degrees promised in the forecast, there was still a great turnout for the 2007 edition of the Brotchie Reach OC6 Race at the Gorge Rowing and Paddling Centre this past Saturday. Highlighted by a strong turnout of local crews, teams from Comox, Nanaimo and Delta also showed up for what turned out to be a fantastic day of racing. Instead of sun, the weather was overcast and windy, which worked to the advantage of the racers. Conditions ranged from small to medium chop throughout the day, making the race a little more interesting for advanced crews and providing a fun and safe challenge for more inexperienced teams.

Sunday morning saw a variety of OC1s, OC2s, kayaks and surf skis race the 12.5 km course under overcast skies and drizzle. The water was flat the entire way, but a couple of aggressive racers still found the opportunity for a swim. A highlight was ageless wonder Ron Williams eking out a win in a tightly contested men's OC1 division.

- **Results** are on the last two pages of this document or online at [www.gorowandpaddle.org/events](http://www.gorowandpaddle.org/events) in the results section.
- **Event photos** are in the GO Gallery – [www.gorowandpaddle.org/media](http://www.gorowandpaddle.org/media).

We would like to thank everyone for participating and we hope you enjoyed the event (we did!). In addition, we would like to thank the visiting teams from Nanaimo, Powell River, Comox, and Delta for making the trip. We hope to see you next year for an even bigger and better Brotchie!

Have a great paddling season.
